

## *Women's Recognition Awards*

*Brookhaven Town's Division of Women's Services honors outstanding women every year for their exceptional service in our local communities. Community groups, businesses and individuals are encouraged to nominate women they believe are deserving of special recognition. Eligible candidates must live or work in Brookhaven. All nominations should include a resume or equivalent document and two letters of recommendation.*

*The Town of Brookhaven has been recognizing these contributions since our first Women's Recognition in 1986, and in 2016 we celebrated our **30th Annual Women's Recognition** during Women's History Month with a special celebration in March.*

*For further information regarding the Annual Women's Recognition Awards, please call 451-6146.*
